## COURSE PROSPECTUS

# ON THE JOB TRAINING INSTRUCTOR (OJTI)

### Course Summary

Designed for experienced controllers, the course covers all aspects of On the Job Training and includes a pre-course 'Distance Learning Package' which entrants are required to complete prior to attending the course.

The training prepares prospective OJTIs to conduct training in accordance with the Unit Training Plan. It also equips future OJTIs to prepare, train, monitor, evaluate and debrief trainees.

The course further trains for STDI duties which form an additional privilege of the endorsement.

The course incorporates theoretical and practical instructions, demonstrations and a verbal examination.
